

North Georgia Canopy Tours™ is the ultimate Zip Line experience. With over a mile of cable covering the beautiful rolling hills at the base of the Appalachian mountains, participants zip through the trees at speeds of up to thirty five miles an hour and heights up to seventy feet off the ground. We offer two options: a two hour Sky Bridge course (which includes 9 zips, 2 skybridges, and 2 nature hikes), and a longer Adventure Tour (12 zips, 2 skybridges, 3 nature hikes, and a rappel). In addition to enjoying the thrill of ziplining, guests will also learn of the local flora and fauna to expand a love for the beauty of North Georgia.

We are looking to expand our highly trained staff to give guests a true tree top adventure. Must be at least 18 years of age with High School diploma or GED, weigh between 70-250 lbs, be comfortable working at heights, energetic, and available for a full week of training. Flexible work schedule (weekends, holidays) required. Training week attendance is mandatory; March 11-16, 2019.
