

The Marietta Visitors Bureau is excited to announce the appointment of tourism industry veteran Brittney Gray to the position of Executive Director.

**Marietta Visitors Bureau welcomes industry Veteran Brittney Gray**

Brittney brings a comprehensive set of skills to the team which led to her success at Explore Georgia – Georgia Department of Economic Development first as a Tourism Project Manager, then as the Director of Visitor Services and most recently as the Director of Tourism Partner Marketing. Prior to Explore Georgia, Brittney was a Tourism and Special Projects Manager at what is now Cobb Travel & Tourism, which makes her return to a Cobb County office a homecoming of sorts. Please join us in welcoming Brittney “home”.
